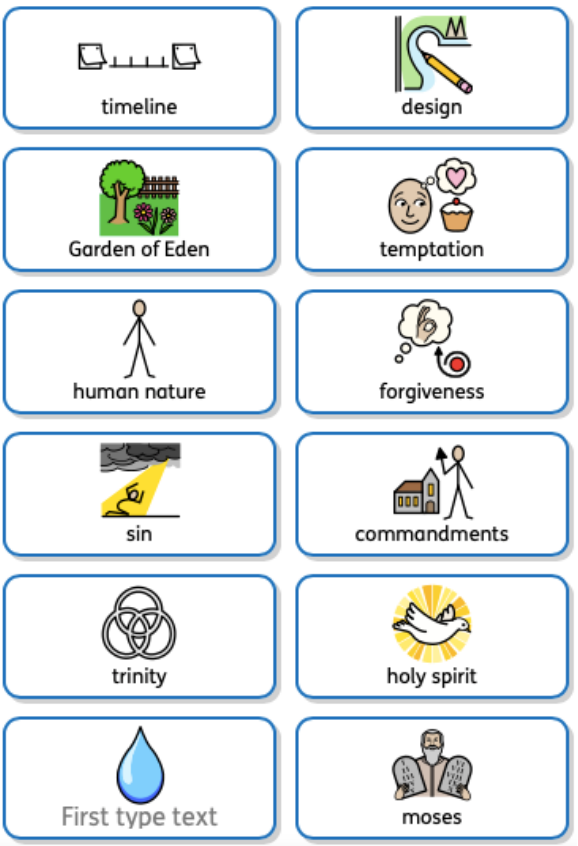
Year 4 - Term 1 – Creation/Fall – What do Christians learn from the creation story?

Learning outcomes.
Place the concepts of God and Creation on a timeline of the Bible's 'Big Story'.
Make clear links between Genesis 1 and what Christians believe about God and Creation.
Describe what Christians do because they believe God is Creator. (For example, follow God, wonder at how amazing God's creation is; care for the earth in some specific ways.)
Ask questions and suggest answers about what might be important in the creation story for Christians living today, and for people who are not Christians.

God the Creator cares for the creation, including human beings.


The Bible shows that God wants to help people to be close to him — he keeps his relationship with them, gives them guidelines on good ways to live (such as the Ten Commandments).
