

Creation

Religion or Science: Conflicting or Complimentary

RE

Term 1

What should I already know?

- Why the word God is so important to Christians (YR)
- Creation- Who made the world? (Y2)
- What do Christians learn from the creation Story? (Y4)

What am I going to learn? (Sticky Knowledge)

- The importance of creation on the big story of the bible.
- To identify what type of text some Christians say Genesis 1 is and its purpose.
- To know the scientific accounts of creation (Cosmology and evolution) and how these might be complimentary or conflicting to what Christians believe about creation.
- To know what psalm 8 is and what it says about the idea of God as the creator and the place of humans in creation.
- To know about the idea of stewardship and how well humans are taking responsibility for God's creation
