Textiles: Protest Art!

Term 4

What should I already know?

- To know more than one type of stitch (in addition to running stitch from Year 1/2)
- To know that fabric can be joined together using stitching
- To know that detail can be added to a piece of work using sewing techniques printing, dipping and fabric pens
- To know that colour can be added to textiles through dyeing

What am I going to learn? (Sticky Knowledge)

- To know that textiles can be overlapped to create texture, effect and colour (applique and reverse applique)
- To know and use a range of sewing stitches (e.g. running stitch, cross stitch, back stitch)
- To know how slogans are used in fashion
- To understand the work of fashion designers and use these as a basis for their own art work
- To know that textiles can be used to create a 3D design (fashion/garments)
