Collective Worship Policy

"Feed my lambs....take care of my sheep." John: 21

We are a community where everyone is included. A place of nurture where through creative learning, acceptance and celebration we are all able to flourish. Our inclusive school encourages children to be curious, passionate, ambitious and courageous. Everyone at St Mary of Charity is determined to be confident in who they are, aspire to realise their full potential and support each other through respect, honesty and forgiveness. Guided by Jesus we are accepting of the wonderful diversity within our community and have hope that our children will continue to advocate for and celebrate the unique needs of all throughout our wider world.

Introduction

Our collective worship policy strengthens and supports the Christian identity of our school, reaffirms our values and celebrates the contribution that each child makes to our community. Worship will reflect the variety of traditions found in the Church of England, and will recognise and follow the Christian liturgical year. The daily Christian act of worship is central to our ethos and is supported by all staff and members of the Governing Body.

“All the nations you have made will come and worship before you, Lord; they will bring glory to your name.” Psalm 86.9

Our Christian Values of: Forgiveness, Faith, Determination, Aspiration, Respect, Honesty and Team Work are taken from John: 21 and work as a vehicle to explore our vision and understand how we put our vision in to action.

Aims

Our school worship is central to the life of the school and contributes to the spiritual, moral, social and cultural development of our pupils, as appropriate to their ages and aptitudes.

- To explore a relationship with God in Jesus Christ.
- To reflect on values that are of a broadly Anglican Christian tradition, whilst recognising the validity and importance of other Christian denominations, religions and belief systems
- To consider spiritual and moral issues and, through reflection, raise awareness of the ultimate questions of life relating to matters of faith.
- To reflect on their own beliefs.
- To deepen and widen the experience of those of ‘faith’ and encourage those of ‘little or no formal faith’ so that they begin to feel for themselves something of what it means to worship.
- To develop an enquiring mind and express and explore their own views openly and honestly through reflection and wondering questions.
- To develop a community spirit, a common ethos and shared values.
- To foster an awareness of the world around them and a sense of their place within it.
- To develop a respect for and an understanding of different beliefs.
- To develop a sense of sharing and belonging through different groups of children coming together.
- To have opportunities to live out and explore Biblical teachings.

Organisation

School worship

- Takes place daily
- It is all inclusive – it is for all pupils, is open to the Governing body and parents can be invited.
 - ◊ Teaching staff are expected to attend and all other staff are welcome.
- Takes place either in the school halls, classrooms, outside areas or St Mary of Charity Church.

- Is planned, with specific themes, at a level in accordance with the differing age groups and understanding of the pupils attending the act of worship.
- Includes celebration in songs, hymns, readings, drama and other creative ways.
- Allows members of the school community to have opportunities to reflect, responding individually or collectively to a statement of belief, prayer, silence or reflection.
- Celebrates the achievements and learning of all pupils.

As a Church of England School, the content of our worship is organised to:

- Observe the cycle of the Church's Year – Advent, Christmas, Lent, Easter, Pentecost, Saints' Days.
- Use the Bible as a source of knowledge and inspiration for themes and stories.
- Learn and say prayers from a number of sources, in particular the Lord's Prayer and the Grace. Then allow for a time of silence and reflection.
- Allow opportunities to speak personal prayers aloud and have time to create their own prayers.
- Sing a wide variety of hymns and songs.
- Experience Christian symbols in worship and reflecting on their meaning e.g. cross, crucifix, bread and wine and candles.
- Use Psalms with simple responses.
- Celebrate Eucharist.
- Use Anglican sentences and responses (e.g. The Lord is here, his spirit is with us)
- Link regularly with the congregation and Vicar of St Mary of Charity Church and Parish.

The nature of Acts of Worship

Our daily act of worship should be an activity that:

- Is educational and spiritually enhancing

- Creates an atmosphere where those who wish to worship can do so.
- Introduces children to aspects of Christian worship and faith in an open and honest atmosphere.
- Encourages children to be creative, questioning and imaginative, within a Christian framework; also recognising the importance of experience, personal values and respect for the beliefs of others.
- Facilitates spiritual growth, enabling children to become true to themselves and others.
- Explores a relationship with God in Jesus Christ
- Allows children to reflect on values that are of a broadly Anglican Christian tradition, whilst embracing the validity and importance of other Christian denominations, religions and belief systems.
- Allows children to consider spiritual and moral issues and, through reflection, raise awareness of the ultimate questions of life relating to matters of faith

- Allows children to deepen and widen the experience of those of 'faith' and encourage those of 'little or no formal faith' so that they begin to feel for themselves something of what it means to worship

Implementation

Collective worship is a legal requirement. Each school must provide a Christian act of collective worship for all pupils every day. This act of worship can take place at any time of the school day and in any regular school grouping e.g. whole school, key stage or class.

During the year there are a number of occasions when the act of worship will take place in the Parish church and are led by clergy, school staff and pupils.

Planning

The time of collective worship is planned to ensure that the children are able to gain maximum benefit from the worship as well as enabling the school day to run smoothly and take account of other requirements of the school day.

Each adult plans weekly/and or termly for the Collective Worship they lead. The weekly plans follow the Diocesan plans, however these are adapted and changed to suit the needs of the children or reflect a local or world issue (e.g An earthquake or NSPCC event) Plans are kept in a shared drive on the server and all follow the same template. Class Worship Plans are developed by pupils and the Deputy Head Teacher during weekly Collective Worship lead meetings.

Collective Worship will follow the pattern outlined below:

Gather: The children gather together by: listening to a piece of chosen music, a performance from the choir or quiet reflection. A candle is lit to show that worship has started and the following words are spoken:

Leader: "The Lord is here"

ALL: "Our faith is in Him"

Engage: The children engage with the theme of worship through: listening to a Bible story, watching video clips, looking at a painting, studying pictures, participating in front of others

Respond: The children reflect and respond to what they have heard: talk partners, individual responses, making links to school life, reflections, private prayer

Send: Whole school prayers, singing, sharing of a message, an action to complete during the day, listening a piece of music. The candle is then blown out to signify that worship has finished. The children end worship by using the call 'Go in love and (we insert one of our school Christian values here which changes each term).

Inclusion

Acts of worship should include all children and the content should respect the individuality of each child. Acts of worship will be always Christian and will respect the integrity and choices of every person. Prayers will be by invitation and there will be a time for free reflection. When planning thought should be given to SEND children, especially the VI/HI children, to ensure they can access and engage with the stories and sung worship.

Use of Prayer at St Mary of Charity

We strive to embed prayer in to the daily life of the school, this is invitational to all children. Children are encouraged to write their own prayers for use in collective worship and there are boxes around the school for children to record their private prayers. We encourage a balance between children using prayer to share issues that are relevant to them with God and for children to pray in response to events and happenings in school, the local community and the wider world.

Daily Prayer: Our school prayer is said as part of collective worship. Grace is said in the classrooms before children go to the hall for food and is led by Worship leaders in each classroom. Each class finishes the school day with a class prayer, this is decided by the class teacher and Worship leaders in each class.

Other Prayers: The modern version of the Lord's Prayer is said by the whole school on a weekly basis. Children are encouraged to write their own prayers for Harvest, Remembrance, Christmas and Easter Services in Church. These are shared with the community by the children.

Resources

A budget will be set each year to provide resources needed for the effective delivery of collective acts of worship.

Right of Withdrawal

Collective Worship is central to the life of our school and as such we expect all children and staff to attend. Although parents and carers have a legal right to withdraw their child from collective worship, by requesting and accepting a place at St Mary of Charity Primary School it is hoped that they demonstrate an understanding of the centrality of Christianity to the school and nature of the school as a place with religious education and collective worship in its daily life. If you do wish for your child/ren to not be present in worship, then a formal request must be made in writing to the Headteacher. The Headteacher keeps a record of all children who withdraw from collective worship.

Evaluation and Record Keeping

Records of the acts of Collective Worship, which shall include sufficient detail to show that this policy is being put into practice, are kept centrally on the server. They are monitored by the CW lead with regular evaluation of the impact of the worship. The pupils, staff and parents will be asked to contribute to the evaluative process.

Monitoring and Review

It is the role of the CW Leader, Headteacher and Governors to monitor the policy and practice of collective worship. They should receive copies of the worship scheme, observe whole school acts of collective worship regularly (at least three times per year) and seek the views of pupils. Evaluations from the children will also be taken into account when planning worship sessions. Worship leaders regularly monitor and evaluate the impact of worship in their classes and feedback to the DHT.

Self-assessment and Inspection

School Self-assessment will be completed on the SIAMS Toolkit by Headteacher and CW Leader. Worship is inspected under S48 of the Education Act.
