

St Mary of Charity Primary School

“Feed my lambs...take care of my sheep.” John:21

We are a community where everyone is included. A place of nurture where through creative learning, acceptance and celebration we are all able to flourish. Our inclusive school encourages children to be curious, passionate, ambitious and courageous. Everyone at St Mary of Charity is determined to be confident in who they are, aspire to realise their full potential and support each other through respect, honesty and forgiveness. Guided by Jesus we are accepting of the wonderful diversity within our community and have hope that our children will continue to advocate for and celebrate the unique needs of all throughout our wider world.
