

What is Community Wardrobe?

A give-back, donation cycle (donations welcome), sustainable initiative that ensures all school uniform gets the best use and limits waste. School uniform items (branded and plain) for most schools in Faversham and surrounding villages.

First Tuesday of the Month

Morning session: 9:30am - 11:30am

Afternoon session: 1:30pm - 4:00pm

How does Community Wardrobe work?

Come along to one of our open sessions (feel free to bring your pre-loved, outgrown uniform with you) and browse our range of pre-loved school-branded and unbranded essentials housed in the 'Old Vault' (bank safe). Our team of volunteers will be on hand to assist you. Spend time in our community space at our 'Kid's Corner' with activities, reading and craft. We do not charge for items but if you would like to make a donation, you can do so via card or cash (or by swapping your old school uniform).
